MEMORANDUM FOR: Mr. John M. Clarke

John:

I thought that our "budget presentation" for the Director on Saturday, 13 November, went extremely well. Although he made a number of suggestions which he felt would improve the presentation, on the whole he seemed favorably impressed and, in fact, pleased with it.

I am mindful of the tremendous effort which you and members of your staff put forth to develop this presentation, and I should appreciate your conveying my sincere thanks to each of them.
